About the 635 East Project

The 635 East Project is a \$1.7 billion design-build operation owned and managed by the Texas Department of Transportation. The goal of the 11-mile project is to improve mobility, operations and safety on Interstate 635 in Dallas County. Construction includes the addition of a mainlane in each direction, building continuous frontage roads along the corridor and reconstruction of the interchange at I-635 and I-30. Construction began in early 2020 with an anticipated completion date of late 2024. The 635 East Project is part of the Texas Clear Lanes initiative (www.texasclearlanes.com) by TxDOT to address growing traffic congestion in the state.

About the Texas Department of Transportation

The Texas Department of Transportation is responsible for maintaining 80,000 miles of road and for supporting aviation, maritime, rail and public transportation across the state.
