

Drivers are advised to plan commutes in advance or seek alternate routes to avoid unexpected delays. All scheduled work and closures are subject to weather or other unforeseen circumstances.

The public can stay informed on construction progress, lane closures and traffic changes by signing up for **text alerts** by sending the message “**635 East**” to **1-833-499-6353** (1-833-HWY-635E). They can also sign up for e-blasts by visiting the project website or this link: <https://635east.com/receive/e-blasts/>.

For additional information related to the 635 East Project, visit www.635east.com.

About the 635 East Project

The 635 East Project is a \$1.7 billion design-build operation owned and managed by the Texas Department of Transportation. The goal of the 11-mile project is to improve mobility, operations and safety on Interstate 635 in Dallas County. Construction includes the addition of a mainlane in each direction, building continuous frontage roads along the corridor and reconstruction of the interchange at I-635 and I-30. Construction began in early 2020 with an anticipated completion date of late 2024. The 635 East Project is part of the Texas Clear Lanes initiative (www.texasclearlanes.com) by TxDOT to address growing traffic congestion in the state.

About the Texas Department of Transportation

The Texas Department of Transportation (TxDOT) is responsible for maintaining 80,000 miles of road and for supporting aviation, rail, and public transportation across the state. TxDOT and its 12,000 employees are committed to working with others to provide safe and reliable transportation solutions for Texas by maintaining a safe system, addressing congestion, connecting Texas communities, and being a Best in Class state agency. Find out more at www.txdot.gov. “Like” TxDOT on Facebook (www.facebook.com/txdot) and follow us on Twitter (www.twitter.com/TxDOTDallasPIO).
